(Chorus)

Can you ever forgive me?
Can you ever forgive me, oh
Can you ever forgive me for what I've done?
I'll do whatever you want me
I'll do whatever you want me to
To get you right back here where you belong

Well I've held you in my thoughts
And I held you in my dreams, well
Maybe I was holding on too tight

If I had just one more day
It'd take all of your blues away
Then maybe, you'd be holding me just right

(Chorus)

Well I thought you didn't want me
I thought you didn't need me
Baby I just thought you didn't care

So, when you told me you love me
I let it go right through me
Cuz I thought I'd only show you what was fair [sic]

I know it was cruel and I take it back
And if I held the hands of time I'd turn them back
But now, can you ever forgive me for what I've done to
you?
Can you ever forgive me 4 what I've dun? [sic]

(Chorus)

Well I thought you didn't want me
I thought you didn't need me
Baby I just thought you didn't care

So, when you told me you love me
I let it go right through me
Cuz I thought I'd only show you what was fair [sic]

(Chorus)

Can you ever forgive me?
Can you ever forgive me, oh
Can you ever forgive me for what I've done?
I'll do whatever you want me, baby
Just to get you right back here where you belong
