Burning in your ashes, flowers in my hand
Take the glass from which we shared, we turn it into
sand
Fantasy, a love's mirage, slippin' through my hands
Knowing that you'll never follow anyone's demands

It's alright, I know I'm gonna live
It's alright, I know I'm gonna live
It's alright, I know I'm gonna live
'Cause I know you gave the best you could give

Come into my senses, was never really me
Broken down my defenses and you left me in the
debris
You know I close my eyes to escape you but your face
is all I see
This war is never ending and I'm never gonna be free

It's alright, I know I'm gonna live
It's alright, I know I'm gonna live
It's alright, I know I'm gonna live
'Cause I know you gave the best you could give
