Can I Help It
Glenn Miller
Written by Jimmy Van Heusen and Johnny Mercer.

As recorded by the Glenn Miller Orchestra on October
3rd, 1939 with Ray Eberle.
?

You left one yesterday
You took my heart away
And now I dread each newborn day
Can I help it?
Can I help it?

Along each thoroughfare
While people stop and stare
I talk to you but you're not there
Can I help it, sweetheart?

I try to sleep
My dreams are haunted
By a million stars that pry
How can I sleep?
Your eyes look just that way
The day we said goodbye...
?

I tried forgetting you
I tried to hurt you too
But now I find I still love you
Can I help it, sweetheart?
