How many roads must a man walk down, before they
call him a
man
How many seas must a white dove sail, before she
sleeps in
the sand
How many times must the cannonballs fly, before they
are
forever banned
The answer, my friend, is blowing in the wind
The answer is blowing in the wind

How many years must a mountain exist, before it is
washed to
the sea
How many years can some people exist, before they're
allowed
to be free
How many times can a man turn his head, and pretend
that he
just doesn't see
The answer, my friend, is blowing in the wind
The answer is blowing in the wind

How many times must a man look up, before he can
see the sky

How many years must one man have, before he can
hear people
cry
How many deaths will it take till he knows, that too
many
people have died
The answer, my friend, is blowing in the wind
The answer is blowing in the wind
