Move, ask the angels who they're calling  
Go ask the angels if they're calling to thee  
Ask the angels, while they're falling  
Who that person could possibly be

And I know you got the feeling  
You know, I feel it crawl across the floor  
And I know, it got you reelin'  
And honey, honey the call is for war and it's wild, wild,  
wild, wild

Everybody got the feelin'  
You know the feeling and it's stronger each day  
Everybody wants to be reelin'  
And baby, baby, I'll show you the way

And I know it's hard sometimes  
You've got to piece the needle across the sky  
And I know it's hard sometimes  
And world war is the battle cry and it's wild, wild, wild,  
wild

Across the country through the fields  
You know I see it written 'cross the sky  
People rising from the highway  
And war, war is the battle cry and it's wild, wild, wild,  
wild

Armageddon, it's gotten, no Savior jailer can take it  
from me  
World ending, it's just beginning  
And rock and roll is what I'm born to be and it's wild,  
wild, wild, wild  
Wild, wild, wild, wild, wild, wild, wild, wild, wild wild  
wild wild

Ask the angels if they're startin' to move  
Comin' in droves in from L.A.  
Ask the angels if they're starting to groove  
Lightning as armor and it's today, it's wild, wild, wild,  
wild  
Wild, wild, wild, wild, wild, wild, wild, wild, wild wild

wild wild
