Na na na na na
Na na na na na

I'm with you always
You're ever on my mind
In a light to last a whole life through
Each way I turn
The sense of you surrounds
In every step I take
In all I do
Your thoughts your schemes
Captive my dreams
Everlasting, ever new

Sea returns to sea
And sky to sky
In a life of dream am i
When I'm with you

Deep in my heart
How the presence of you shines
In a light to last a whole life through
I recall the wonder of it all
Each dream of life I'll share with you

Sea returns to sea
And sky to sky
In a life of dream am i
When I'm with you

I'm with you always
You're ever on my mind
In a light to last a whole life through
The hand above
Turns those leaves of love
All and all a timeless view
Each dream of life
Flung from paradise
Everlasting, ever new

Dream of life
Dream of life
