[Originally by The Beatles]

We were talking about the space between us all  
And the people who hide themselves behind a wall of  
illusion  
Never glimpse the truth, then it's far too late, when  
they pass away  
We were talking about the love we all could share  
When we find it, to try our best to hold it there with our  
love  
With our love, we could save the world, if they only  
knew

Try to realise it's all within yourself  
No one else can make you change  
And to see you're really only very small  
And life flows on within you and without you

We were talking about the love that's gone so cold  
And the people who gain the world and lose their soul  
They don't know, they can't see, are you one of them?

When you've seen beyond yourself then you may find  
Peace of mind is waiting there  
And the time will come when you see we're all one  
And life flows on within you and without you
