### GIRL TALK

They like to chat about the dresses they will wear  
tonight,  
they chew the fat about their tresses and the  
neighbor's fight.  
Inconsequential things that men don't really care to  
know  
become essential things that women find so "appropo".  
But that's a dame, they're all the same.  
It's just a game, they call girl talk, girl talk.

They all meow about the ups and downs of all their  
friends,  
the "who", the "how", the "why", they dish the dirt, it  
never ends.  
The weaker sex, the speaker sex we mortal males  
behold  
but tho' we joke we wouldn't trade you for a ton of gold.  
So baby, stay and gab a way  
but hear me say that after girl talk talk to me.
