Big Cannons Keep on Smokin'  
Won't Stop We Just Keep Rollin'  
Weed Wackers just keep chokin'  
And everyones just wasted in this room

Cheap Whiskey all were needin' big bag of wheel chair  
Weed and tunes crankin' ears are bleedin' and  
Everyone's just rockin' in this room

Come on and blow all the neighbours away with the  
Tunes(Big Cannons) The louder you play you can't hear  
The complaints for the tunes (Big Cannons)

(Tequila)  
Tequila keep on pounding, 12 beers but hey who's  
Counting, jack daniels now were rocking, everyone's  
Just wasted in this room

The louder you play you can't hear the complaints for  
The tunes (Big Cannons) Come on and blow all the  
brains  
Cells away with the shrooms (Big Cannons)

The riot we make from the noise that we make and it's  
Always been this way me for and come on and drive all  
The nieghbours away with the tunes (Big Cannons)

(Big Cannons)

(Big Party)  
Big Party keeps on growin'  
Won't stop it just keeps rollin'  
Big toké hold it in yeah everyones just wasted in this  
Room (Big Cannons)

The louder you play you can't hear the complaints for  
The tunes(Big Cannons) Come on and blow all the brain  
Cells away with the shrooms(Big Cannons)  
The rival exchange from the noise that we make and  
it's  
All ways been this way for me and come on and blow all  
The neighbours away with the tunes(Big Cannons)
