{Angel Blu}

True!!

(True) jameson (True) angel blu (True) steve feel good

(True) comin'

to you!

{Angel Blu}

I know whats being said but theres no regret form this,
lets make

arrangements for an appointment in my head!

We act so shallow but the situations deep! Momentary
pleasure got me

feeling long time weak!

[Bridge]

True side by side lay on your back flat like domino, we
can roll our dice

drip like ice, Melt! I can make you fall up and down like
snakes and

ladders uh uh! Tell all ya friends, tell all ya friends i've
had ya!

[Chorus]

I'm feeling you so whats it gonna be? I need honnesty
tell me what you

need. Can you be true? Or be that as it may chase the
clouds away each

and every day!

(Just you and i, just you and i, just you and i, its true!)

{Angel Blu}

Beats and motions say it all but you still don't call! it's
distance

inside the ball so we can do it all no! But could you
handle it? But could

you manage it? I want it all so make it unforgettable!

[Bridge]

True side by side lay on your back flat like domino, we
can roll our dice

drip like ice, Melt! I can make you fall up and down like
snakes and

ladders uh uh! Tell all ya friends, tell all ya friends i've
had ya!

[Chorus]

I'm feeling you so whats it gonna be? I need honnesty
tell me what you

need. Can you be true? Or be that as it may chase the
clouds away each
and every day!
I'm feeling you (I'm feeling you!) so whats it gonna be?

honesty tell me what you need. Can you be true? (Can
you be true?)
