Your heart don't wanna get
Mixed up with my own
So why can't I take a hint
Try to leave you alone

I just get caught in your love
Like I'm lost in a haze
I'll try to find my way out, baby
One of these days

Chase you, runnin' around
I traveled all over town
I know it ain't no use anyway

'Cause your love can't be right for me
No, you just can't be right for me
Am I the last one to see
That your love can't be right, right for me?

Who says it's gotta be
This way 'round for me
But I could just as easily
Live life fancy free

But still you always want
What you just can't have
Makes no sense to me
Oh, I've tried to get you off my mind
But unsuccessfully

I just get caught in your love
Like I'm lost in a haze
I'll find my way out, baby
One of these days

Chase you, runnin' around
I traveled all over town
I know it ain't no use anyway

'Cause your love can't be right for me
No, you just can't be right for me
Am I the last one to see

That your love can't be right, right for me?

Hey, your love can't be right for me

No, you just can't be right for me

I'm the last one to see

That your love can't be right, right for me
