I got some money in my pockets
I got my car keys in my hands
I got myself a couple of tickets
To see a rock and rollin' band

C'mon girl just get on some shoes
We gotta hear some sounds
C'mon baby no this ain't no time to mess around

Evie, Evie, Evie let your hair hang down
Evie, Evie, Evie let your... Ohhh
Evie, Evie, Evie let your hair hang down
Evie, Evie, Ahhh let your hair hang down

You got the body of a woman
The way you're movin' like a queen
You got the face to make a riot
And say you're only seventeen

But little girl you're oh so shy
You hardly make a sound
C'mon baby don't you be so shy to mess around

Evie, Evie, Evie let your hair hang down
Evie, Evie, Evie let your... Ohhh
Evie, Evie, Evie let your hair hang down
Evie, Evie, Ahhh now listen

You got a chance now take it
You have to pick and choose
Why don't you give me just one more time
Cause I know you just can't lose

You have the body of a woman
You nearly make me lose my breath
You know you give me such a fever
You almost scare me half to death

Well little girl you're so reserved
You hardly make a sound
C'mon baby don't you be so shy to mess around

Evie, Evie, Evie let your hair hang down
Evie, Evie, Evie let your... Ohhh
Evie, Evie, Evie let your hair hang down
Evie, Evie, Ahhh
