I been walking the dog, all night and all day..  
yeah up in the streets in the city,  
babe since you went away...well I hope what you said,  
is all that I am....cause you cheatin your life..  
and you dont give a dam...And I should have known,  
when your touch turned to ice...your love was on loan..  
but nothins for free, and I sure paid the price.....

your an Ice Queen...see what you put me through..  
Ice Queen...colder than Ice is you....

work my hands to the bone...oh what do you care..  
I could be driving forever, your out styling somewhere,

but when I try to call, oh your never at home,  
oh and if you are,...I get a busy tone..  
and I'm hearing things,  
about you running around...from all of my friends..  
the rumors are flying.... all over town....

your an Ice Queen...see what you put me through..  
Ice Queen...colder than ice is you...

your an Ice Queen, see what you put me through..  
Ice Queen...colder than ice is you....  
your an Ice Queen, see what you put me through..  
Ice Queen, colder than ice is you.....  
Ice Queen....Ice Queen Ice Queen  
your chilly baby.....
