Uh oh, lookout - here it comes Aw yeah!

Well I'm gonna rock, gonna rock and roll tonight
Well I'm gonna free, gonna show my soul the light
Well I'm gonna pick up Susie
Doncha know it's gonna be alright

Ooh we're gonna shake, shake our heads around
Gettin' down to that raunchy sound
Yeah PT's playin' rocking this lazy town
Rock and roll!

Lookout

We're gonna rock, gonna rock and roll tonight
Well I'm gonna free, yeah yeah yeah show my soul the
light
Well I'm gonna pick up Susie
Doncha know it's gonna be alright

Pick up Susie
Doncha know it's gonna be alright
Alright
