Wake up mamma turn your lamp down low
Wake up mamma turn your lamp down low
Said you got some awful nerve honey
To turn Uncle John from your door

You know I woke up this mornin'
I had them Statesboro Blues
Woke up this mornin' had them Statesboro Blues
I looked over on the corner babe
Oh and grandma had them too
Oh yeah - take a ride

My mamma died and left me
My poppa died and left me
I ain't good lookin' baby
But I'm somewhat sweet and kind
I'm goin' to the country, honey do you wanna go
And if you like takin' your time mamma
Your sister Lucy said she wanna go
But that's ok I still got my guitar

I love that woman - better than any girl I've ever seen
Well I love that woman - better than any girl I've ever
seen
She treats me like a lovin king
Oh and she's my lovin queen

Wake up mamma - turn your lamp down low
Yeahhhh mamma - turn your lamp down low
Said you got some awful nerve baby
To turn Uncle John from your door
Yeah!
