It's comin' back just like yesterday
Before I knew the rules to the game
My innocence, my naivete
Had long since worn away

But suddenly, a reawakening
My head and hands begin to speak again
Yeah they're screaming in a crazy harmony
And I know that's alright for you and me

I will play on
Until I'm with you
I will come home strong
Until I see you
Then I will fall in your arms

Love the skies in Ontario
Just seen the summer come and go
I wanna keep more of my promises
Try to get out of here you know before it snows

I will play on
Until I'm with you
I will come home strong
Until I see you

I will play on
Until I'm with you
I will come home strong
Until I see you
Then I will fall - hey

I will play on
Until I'm with you
I will come home strong
Until I see you

I will play on
Until I'm with you
I will come home strong
Until I see you

Then I will fall in your arms
