Your heart don't wanna get
Mixed up with my own
So why can't I take a hint
Try to leave you alone

I just get caught in your love
Like I'm lost in a maze
I'll try to find my way out baby
One of these days

Chase you runnin' around
I traveled all over town
I know it ain't no use anyway

Cause your love can't be right for me
No you just can't be right for me
Am I the last one to see
That your love can't be right
Right for me

Who says it's gotta be
This way 'round for me
But I could just as easily
Live life fancy free

But still you always want
What you just can't have
Makes no sense to me
Oh I've tried to get you off my mind
Unsuccessfully

I just get caught in your love
Like I'm lost in a maze
Try to find my way out baby
One of these days

Chase you runnin' around
I traveled all over town
I know it ain't no use anyway

Cause your love can't be right for me

No you just can't be right for me
Am I the last one to see
That your love can't be right
Right for me

Hey your love can't be right for me
No you just can't be right for me
Ohh I'm the last one to see
That your love can't be right
Right for me
