Your eyes are beautiful

Your eyes are the window of my mind.  
Your lips are soft and warm

It's heaven when your body's close to mine.  
Don't you know I'll never let you go  
let you go!

Because you  
you are the best love of my life

You are the best love of my life

you're beautiful  
so beautiful.  
Because you  
you are the best love of my life

You are the best love of my life

you're beautiful  
so beautiful.  
I need you  
want you  
need you  
want you right now.  
I need  
I need you now  
I need  
I need  
I want you now!

I've got this vision of eternal bliss

We'll be together and life will be so divine.  
I'll be seduced by your fatal kiss

I'll be your prisoner of love until the end of time.  
Don't you know I'll never let you go  
never let you go!

Because you  
you are the best love of my life  
...

Because you  
you are the best love of my life  
...

I need  
I need you now  
I need  
I need  
I want you!  
I need  
I need you now  
I need  
I need  
I want you
