

Bone Gnawer "Cannibal Cook-Out"

Visit "[Cannibal Cook-Out](#)" on MotoLyrics.com

It's a cannibal cook-out!
A human barbecue
A cannibal cook-out!
Where they'll be cooking you
It's a cannibal cook-out!
So come and join the fun
At a cannibal cook-out
You'll be boiled well-done

You'll be a tasty treat
Of sliced up meat
Cooked on a grill
For us cannibals to eat!

It's a cannibal cook-out!
An anthropophagist feast
A cannibal cook-out!
To say the least
It's a cannibal cookout!
For you there's nothing worse
At a cannibal cookout
You'll end up the main course
