You call me a monster, a cannibal fiend  
You never understand my needs  
I love the taste of human flesh  
I love it raw because that's the best

Raw flesh!

I chop you up, that's how it starts  
I take your pieces, separate your parts  
On the table, arranged so nice  
I serve you up  
Sliced and diced!

Sliced and diced!  
Looks so nice  
Sliced and diced!

You call me crazy, fucking insane!  
I just want to feel the same  
To enjoy the taste of human skin  
Dinner's served, so please dig in
