All the noise and the voices are screaming what they  
have to say  
And the headlines and sound bites are giving me  
demons to hate  
And the man on TV, he tells me it's ugly  
But if you ask me

It's a beautiful world  
It's a beautiful world

Ooh, there's tears and there's fears and there's losses  
and crosses to bear  
And sometimes the best we can do is just to whisper a  
prayer  
Then press on because there's so much to live for  
And so much to love

In this beautiful world  
Say what you will but I still believe  
It's a beautiful world  
It's a beautiful world

And I know I'm not dreaming  
I just choose to believe it

So I hate that I sometimes miss what's right in front of  
my eyes, oh  
And I know at the end of my road I'll be wanting more  
time  
Just another sunset, one more kiss from my baby  
A smile from my friend

In this beautiful world  
It's a beautiful world  
Yeah, it's a beautiful world

Say what you will but I still believe  
It's a beautiful world  
Yeah, it's a beautiful world  
Oh, it's a beautiful world
