Beautiful flowers in your garden,  
but the most beautiful by far,  
the one growing wild in the garbage dump,  
even here, even here we are  
Song of the bird way up in the sky,  
but the most beautiful by far,  
the scream of the man who never learned to fly,  
even here, even here we are  
Sun shines bright, it's a beautiful sight,  
but the most beautiful by far,  
is the blind girl, alone, the angel of the night,  
even here, even here we are
