I'll see her one day
In Heaven, the Fatherland
Yes I will see Mary
My joy and my love

In Heaven, in Heaven, in Heaven
I'll see her one day

I'll see her one day
I'll join the angels
To sing her praises
And form her court

I'll see her one day
This so beautiful Virgin
Soon I'll be near her
To say my love

In Heaven, in Heaven, in Heaven
I'll see her one day

I'll see her one day
I'll go near her tomb
To welcome the dove
For the eternal stay

I'll see her one day
I'll go away from earth
To the heart of my mother
To rest with no return

In Heaven, in Heaven, in Heaven
I'll see her one day

I'll see her one day
