Heaped from a snowy white mountain  
Slipped down a snowy white hill  
Came from a water fountain  
Water was sweet until

Sunshine on a shiny ocean  
Sunshine on a shiny bay  
I opened a tiny shutter and  
Sunshine blowing me away

And I don't know a thing  
Don't know a thing  
Don't know a thing  
Don't know a thing

Don't know a thing  
Don't know a thing  
Don't know a thing  
About perfect white girls that wear gold and

I'm very busy  
I'm very, very busy baby  
I'm very, very busy  
Becoming invisible

Why would you want?  
Why would you want to disappear?  
School is a women  
Ask any woman that's sitting here

And I don't a thing  
Don't know a thing  
Don't know a thing  
Don't know a thing

Don't know a thing  
Don't know a thing  
Don't know a thing  
About perfect white girls that wear gold and

If you kiss their asses long enough  
They might let you kiss their asses

If you kiss their asses long enough  
They might let you kiss their asses

So here I come in a river my hips  
Here I come with my big red lips  
Hidden now a newfound friend  
'Cause I'm never going back again

And I don't a thing  
Don't know a thing  
Don't know a thing  
Don't know a thing

Don't know a thing  
Know a thing  
La, la, la, la, la, la, la
