It's hard to listen to a hard, hard heart
Beatin' close to mine
Poundin' up against the stone and steel
Walls that I won't climb

Sometimes a hurt is so deep, deep, deep
You think that you're gonna drown
Sometimes all I can do is weep, weep, weep
With all this rain fallin' down

Strange, how hard it rains now
Rows and rows of big dark clouds
When I'm holding on underneath this shroud
Rain

It's hard to know when to give up the fight
Some things you want will just never be right
It's never rained like it has to night before
Now, I don't wanna beg you, baby
For something maybe you could never give
I'm not lookin' for the rest of your life
I just want another chance to live

Strange, how hard it rains now
Rows and rows of big dark clouds
When I'm holdin' on underneath this shroud
Rain

Strange, how hard it rains now
Rows and rows of big dark clouds
When I'm holdin' on underneath this shroud
Rain

Strange, how hard it rains now
Rows and rows of big dark clouds
When I'm still alive underneath this shroud
Rain, oh, rain, oh, rain
