Tomorrow night will you remember what you said  
tonight

Tomorrow night will all the thrill be gone  
Tomorrow night will it be just another memory  
Or just another song that's in my heart to linger on

Your lips are so tender, your heart is beating fast  
And you willingly surrender to me, but darling will it last  
Tomorrow night will you be with me when the moon is  
bright

Tomorrow night will you say those lovely things you  
said tonight

Your lips are so tender, your heart is beating fast  
And you willingly surrender to me, but darling will it last  
Tomorrow night will you be with me when the moon is  
bright  
Tomorrow night will you say those lovely things you  
said tonight
