Barbarella

(words and music by Richard Barone)

gotta feeling ill lose control i
gotta feeling youre gonna notice
im forgetting all that I know
barbarella, you do this to me
ah-ah-ah, ah-ah-ah
why dont we change the subject?

barbarella, barbarella

ive got no stake in the future
ive done it all through your eyes
when that last bulldozer drives up
barbarella, ill be here with you
ah-ah-ah, ah-ah-ah

o-o-o barbarella
o-o-o barbarella
o-o-o barbarella
o-o-o barbarella

ill throw a party and im invited
im catching a bridge to somewhere
gonna wash my hands of this whole mess
barbarella, you get the picture
ah-ah-ah, ah-ah-ah
ah-ah-ah, ah-ah

barbarella, barbarella

o-o-o barbarella
o-o-o barbarella
barbarella!
