Numbers with Wings

(words and music by Richard Barone)

i spy  
i see through everything  
but i know  
i dont know anything  
and on cold nights  
my soul is like anyones  
and on slow nights  
id forgive anyone

ive got a number with wings  
ive got a number with wings

time flies  
hands of the hourglass  
getting born  
watching the seasons pass  
and on cold nights  
my soul is like anyones  
and on slow nights  
id forgive anyone

ive got a number with wings  
ive got a number with wings

i know  
ill live through everything  
but i cry  
ill cry about anything  
and on cold nights  
my soul is like anyones  
and on slow nights  
well, id forgive anyone

ive got a number with wings  
ive got a number with wings  
ive got a number...
