"Someone Like You"

by: Ceres, Keith, & the Bongos

(pls change the artists' name if you're gonna  
cpy it...tnx!!!)

I. (Keith)

Could this be love?

Could this be true?

Could you be that someone

I can run to?

(Ceres)

Everyday, I'd find myself say

This couldn't be the day but,

Hey baby I found you...

Chorus:(duet)

'Been searching for someone like you

'Been searching for someone to call my own

It's not everyday

I can feel this way

I've been living in the dark

If this is love

Then you have made it start

I've been waiting for

Someone like you to come my way

II.

(Keith:) Is this how it feels,

(Ceres:) Falling in love?

(duet:) Then why do I hear music

Everywhere I go?

(Repeat Chorus)

Bridge:

(Ceres:) With you it seems

I can do no wrong...

(Keith:) Falling in love seems  
To do no harm...

(duet:) Baby you have got to be  
...the one...

(Repeat Chorus one octave higher)

Coda:  
(Ceres:) ...someone like you...  
...someone like you...yeah, yeah

(Keith:)...someone like you...

(Ceres:)...someone like you...  
...someone like you...

(duet:)...someone like...you...
