As We're Standing In The Seas Of The Love
As We Listen To Our Bodies In Love

As We're Standing In The Seas Of The Love
As We're Watching Our Dancing Oooo

It's Time To Shine Your Love
Time To Shine

As We're Standing In The Seas Of The Love
No One Is Watching My Hands Or My Lungs

We'll Be Living Our Live Tonight
Everybody Is Hanging Around Having A Shite

'Cos I'm Thinking It's A Party
And Who Gets My Coffee
No One Is Like That

No One Is Going Down Tonight
Nobody Will Not Have A Party

So We're Standing In The Seas Of The Love
No One Knows We're Dead And In Love

As We're Standing In The Seas Of The Love
We're Not Waiting For The Party To Come x2

As We're Standing In The Seas Of The Love
We Are Ready For The Party To Come

No Time To Wait
No Chance Today
We're Going To Make A Mistake Fast!

Tonight

Make A Mistake You're Wrong
Cos I'm Totally Disregaurd!

(Do You Know If You Mix Water With Batteries Does It
Get Acid?)

As We're Standing In The Seas Of The Love
I am Ready For My Heartache To Come

I am Standing In The Seas Of The Love
Are They Ready For The Heartaches To Come?

As We're Standing In The Seas Of The Love (Yeah
Yeah)
I am Ready For My Heartaches To Come

Cos We're Standing In The Seas Of The Love
Like Every Symbol like but I know that we're always
To date
I am going to make you say something before I even
start because I know that you're gonna be wrong.

Oh What Is That? Oooh!

As We're Standing In The Seas Of The Love
Cos My Heartache will come in a slurp

As We're Standing In The Seas Of The Love
Are We Ready For The Heartaches For Coming
Oh Oh Oh
