Ain't That As Good
by Patty Larkin
Don't waste your time on me
Go on, the boss is watching
Don't waste your time on me
I'm a believing nonbeliever

They put a blue light on the river
And it shone upn the water
They put a blue light on the river
And I walk along the bank

I went up in the tower
The window would not open
I went up in the tower
And the river gave me comfort

When you love somebody
When you love someone
When you love somebody
Ain't That As Good as new

Give me a glass of water
It will cool my hunger
Give me a glass of water
But it will not quench
My thirst

When you love sombody
When you love someone
When you love somebody
Ain't That As Good as new
