Only One
by Patty Larkin
It's a miracle to say I love you
It's an act of God
So peel me from the pavement and
Wipe this smile off

Somebody get a camera
Damn my eyes
Cause nobody will believe me
This is bigger than life size

You're the only one
You're the only one
You're the only one
Still standing
You're the only one
You're the only one
You're the only one
Who can stand me

In a sea of empty faces
You stood out
This must be one of those places tha you
Only hear about

Viva Las Vegas and the
Triple Crown
I'm a loser on a winning streak and the
Circus is in town

You're the only one
You're the only one
You're the only one
Still dancing
You're the only one
You're the only one
You're the only one
Who is on to me

Love can get cut up

In a paper bag
That you stuff into your pocket and
Even you don't want it back

It's a miracle to say I love you
It's an act of God
Shake me if I'm speechless
'Cause I think we pulled it off

You're the only one
You're the only one
You're the only one
Still laughing
You're the only one
You're the only one
You're the only one
Who gets me
