We walk in the gray mist  
Of a beautiful silence  
We walk in the gray mist  
Of happiness  
We walk in the gray mist  
Of what we were once  
What we dream  
Remember this

If it's all the same  
If it's all the same  
Why go anywhere

We walk in the gray mist  
Of a beautiful silence  
We walk in the gray mist  
Of happiness  
We walk in the gray mist  
Of what we were once  
What we are  
Remember this

Don't you wonder  
How we got here  
Don't you wonder how

They built the cell tower  
In the old church steeple  
Just in case  
You want to talk to god

Don't you wonder  
How we got here  
Don't you wonder how

We walkin the gray mist  
Of a beautiful silence  
We walkin the gray mist of happiness  
We walkin the gray mist of what we were once  
What we are  
Remember this
