Too bad that we  
Never got over ourselves  
Too bad that we  
Never got a hold of ourselves

If wings were made for people  
We would fly away together  
We would fly away down the boulevard

If wings were made for people  
No need to run for cover  
We would fly away down the boulevard

Too bad that we  
Never got a chance to believe  
Too bad that you  
Never got easy to leave

If wings were made for people  
We would fly away together  
We would fly away down the boulevard

If wings were made for people  
No need to run for cover  
We would fly way down the boulevard

Too bad that we  
Never got to ring all the bells  
Too bad that we  
Never got over ourselves

If wings were made for people  
We would fly away together  
We would fly away down the boulevard

If wings were made for people  
No need to run for cover  
We would fly away down the boulevard

Too bad, too bad  
It's just too bad
