Valentine

by Patty Larkin

I want to be your Valentine

I want to be the one that you call mine

I want to be the one you're thinking of

I want to be the one you love

I've been wearing my heart out here on my sleeve

Trying so hard to make you notice me

Hear the music 'til the dance is done

Oh, baby, I'm the one

Oohh, baby, don't you know

Oh, honey, don't it show

I'm shy when I smile

They tell me I'm slow

Oohh, baby don't you know

I want to walk with a winking eye

I want to talk until the time goes by

Out on the town both acting tough

I want to tell the world

We're in love

Oohh, baby, don't you know

Oh, honey, dont it show

I'm shy when I smile

They tell me I'm slow

Oohh, baby, don't you know

People tell me true love is hard to find

They can get out of the way

I'm gonna make you mine

So much for being cynical and blue

I'm in love with you

I've been wearing my heart out here on my sleeve

Trying so hard to make you notice me

Hear the music 'til the dance is done

Oh, baby,

I'm the one

I'm the one
I'm the one
I am the one

Oohh, don't you know
Oh, now don't it show
Oohh, dont you know
Hey now, don't it show
