Bought a ticket to Seattle but I can't get to the plane  
Everytime I leave you I keep running out of chain  
I hunger for your love it never gives me any slack  
But if I ever break away, I'm never coming back to  
these

Chains, chains, shackles and chains  
No matter what it takes some day I'm gonna break  
These chains, chains, shackles and chains  
These love taking, heart breaking, cold, hard, lonely  
making chains

You never try to hold me till you see me walking out  
I guess you'd rather be with me than ever be without  
You call me back and kiss me and my heart begins to  
sink  
When I know that all you're doing's taking up another  
link in these

Chains, chains, shackles and chains  
No matter what it takes some day I'm gonna break  
These chains, chains, shackles and chains  
These love taking, heart breaking, cold, hard, lonely  
making chains

Love was never meant to be a one-way street  
I was never meant to be falling at your feet  
You find me where you want me and I don't know what  
to do  
You don't belong to me but I belong to you in these

Chains, chains, shackles and chains  
No matter what it takes some day I'm gonna break  
These chains, chains, shackles and chains  
These love taking, heart breaking, cold, hard, lonely  
making chains

Chains, chains, shackles and chains  
No matter what it takes some day I'm gonna break  
These chains, chains, shackles and chains  
These love taking, heart breaking, cold, hard, lonely  
making chains
