Would've never found you  
He had wanted to stay  
Oh, he hurt me bad  
In a real good way

Well he opened my eyes  
To a world beyond  
That impossible dream  
I was livin' on

And I thank my lucky stars each night  
When you're in my arms and your holding me tight  
I realize what it means  
To have your true love

I would've never found you  
He had wanted to stay  
Oh, he hurt me bad  
In a real good way

And I thank my lucky stars each night  
When you're in my arms and your holding me tight  
I realize what it means  
To have your true love

When I look back on my life before  
How my heart got shattered with a slammin' door  
I see how it all had to be  
For the two of us

Oh, the river of tears  
That flow from my eyes  
Was only moving me on  
To this paradise

I would've never found you  
He had wanted to stay  
Oh, he hurt me bad  
In a real good way  
Oh, he hurt me bad  
In a real good way
