Whoever needed you  
Well I did  
Whoever wanted you  
Well I did  
Who said she loved you  
More than anything  
And be true  
Well I did  
Yes I did  
Oh how I did

Who laid up many nights  
Crying for you  
Well I did  
Oh how I did  
Who was the fool  
To give so much to you  
Well I did  
Yes I did  
Oh how I did

Who said she loved you  
More than anything  
And be true  
Well I did  
Yes I did  
Oh how I did

If anyone on earth  
Could make me happy  
Baby you could  
And if we had a chance  
And who would wait forever  
Honey you know I would

Who said she loved you  
More than anything  
And be true  
Well I did  
Yes I did  
Oh how I did

Who said she loved you  
More than anything  
And be true  
Well I did  
Yes I did  
Oh how I did
