There's a man in a Stetson hat
Howling like an alley cat
Outside my window tonight
Saying baby put on something hot
Meet me in the parking lot
About a quarter to nine
I get the feeling that he's never read
Romeo and Juliet
I'm getting tired of these one night stands
But if you wanna make a real romance.

Chorus:
I'm that kind of girl
I'm that kind of girl
I ain't the woman in red
I ain't the girl next door
But if somewhere in the middle
Is what your looking for
I'm that kind of girl
Yes, I'm that kind of girl.

Let me tell ya that I like my lovin'
Just as much as any woman
But I'm drawing the line
A little sensitivity always seems to get to me
Every time
I'm a sucker for a love sick fool
The kind that carries all your books in school
I'm getting tired of these one night stands
But if your looking for a real romance.

Chorus:
I'm that kind of girl
I'm that kind of girl
I ain't the woman in red
I ain't the girl next door
But if somewhere in the middle
Is what your looking for
I'm that kind of girl
Yes, I'm that kind of girl.

--- Instrumental ---

Chorus:

I'm that kind of girl
I'm that kind of girl
I ain't the woman in red
I ain't the girl next door
But if somewhere in the middle
Is what your looking for
I'm that kind of girl
Yes, I'm that kind of girl

I'm that kind of girl, Ohh.
Oh, I'm that kind of girl, Ohh...
