Baby, open up that bottle
Come and lay down by my side
I don't have no special reason
Just this ache I feel inside

I wanna lose my inhibitions
I wanna lose those words we said
I wanna drink my fill of you, babe
Let it go right to my head

Tonight I wanna hold you
I wanna look into your eyes
I wanna watch these broken dreams
Turn into memories
Just like water, baby
Just like water into wine

Don't wanna think about tomorrow
Don't wanna count my last regrets
I can't hate you anymore, babe
I can't love you any less

Sometimes I've been unfaithful
Sometimes you were unkind
But all the pain and sorrow
And all the bitter tears
They're just water, baby
Just water into wine

So baby open up that bottle
Come and lay down by my side
'Cause I can't think of one good reason
We should not be satisfied

Tonight I wanna hold you
I wanna look into your eyes
I wanna watch these broken dreams
Turn into memories
Just like water, baby
Just like water into wine
We're just like water, water into wine
