Silly girl

I tried to write you a love song in the middle of the
night
Everything rhymed but it didn't feel quite right
Anyway, that's all we need is another modern day
Shakespeare
All I know is I get chills whenever you're standing near

You're so cool
(Yeah, yeah, yeah)
Cool as ice cream in the summertime
(Yeah, yeah)
Cool as James Dean with a twist of lime, you're so fine

And I dig you hard
(Yeah, yeah)
Lovesick dreamin' in the backyard
(Yeah, yeah, yeah)
They wouldn't print it in a Hallmark card
It's so high school, yeah you're so cool

I don't know what's happenin' but it's a silly thing
I wanna wear your sweater, I wanna wear your ring
Ain't it funny what love can make a grown woman do
I've been tellin' my friends, I gotta big crush on you

You're so cool
(Yeah, yeah, yeah)
Cool as Dylan back in '69
(Yeah, yeah)
Cool as James Dean with a twist of lime, you're so fine

And I dig you hard
(Yeah, yeah)
Lovesick dreamin' in the backyard
(Yeah, yeah, yeah)
They wouldn't print it in a Hallmark card
It's so high school, yeah you're so cool

It sounds so ordinary, yeah
(So ordinary)

In my vocabulary, so I might as well say, you roar
(Yes, you're cool)

Yeah baby, you're so cool
(Yeah, yeah)
Cool as Dylan back in '69
(Yeah, yeah, yeah)
Ragtop Mustang in the summertime, you're so fine

And I dig you hard
(Yeah, yeah)
Lovesick dreamin' in the backyard
(Yeah, yeah, yeah)
They wouldn't print it in a Hallmark card
It's so high school, yeah you're so cool
(You're so cool)

Oh, how does it feel to be so cool?
(So cool, yeah, yeah)
Yeah
(Yeah, yeah, yeah)
Hey, hey
(You're so cool)

Ragtop Mustang in the summertime
Yeah, you're so fine
(You're so fine)
You roar
(Yeah, yeah)
You're so cool
(You're so cool)
