Tune in that radiostation 24/7  
Tune in and find your own and private heaven  
If you start it one time, two times, three times  
The rest of your live  
Your head is buzzin' just like a hive

Hey, hey, hey  
When it starts to play  
It's a radio day

The highway in the dessert keeps dragin' on  
Tautly you're a waiting your favourite song  
The wheels on the road are spreadin' that same ol'  
noise

Strangely mingled with that DJ's voice

Hey, hey, hey  
When it starts to play  
It's a radio day

Tune in one, two, three, four, five, six, seven days a  
Week  
Pump up the volume and don't you dare to speak

The highway in the dessert keeps dragin' on  
Tautly you're a waiting your favourite song

Hey, hey, hey  
When it starts to play  
It's a radio day
