I am glad I seen so proud I see stars behind those
Clouds and I really think good things about yourself,
I was lost I felt the pain, can't control this
Hurricane and the really think good things about
Myself,
WATCH OUT,
What do you think about me now?
WATCH OUT, what do you think?
WHAT DO YOU THINK? WATCH OUT, what do you think
about
Me now?
WATCH OUT, watch out,
I am here I am always will,
Now I see this thoughts are true,

Well I have to learn HOW TO PLAY THE GAME,
I am always looking AT YOU, now I see this thoughts are
Real,
I don't wanna be so LONELY anymore,
WATCH OUT, what do you think about me now?
WATCH OUT, what do you think? what do you think?
WATCH OUT, what do you think about me now?
WATCH OUT, WATCH OUT!!!!
Well we feel that FUNNY PAIN, everyday that we are
Alone, but my mind don't go insane...
