Love is a handsome luxury, Listen, it goes like this:

'Cause I love your pretty smile, I love your needy style,
I love to be able to see that you are glamorous from a mile,
I love the way you look, I love the way you cook,
I spend all time watching your pictures on the facebook

'Cause I love to buy you flowers, I love our hot showers,
I can watch you sleeppin' for hours and hours,
I love the way you dance, the way you shake that ass,
But the thing I love most is cummin' on your face, suck it bitch!
