We call it the train
Ooh, here come that train

Engine, engine 69, headed down the party line
And if that train go off the track
Then you know that party sho' nuff bite
So don't miss that train, baby
So don't miss that train

69 doin' it one mo' time
So come on, ride that thang, baby

All aboard, all ya ladies, just work it on down
Get ya pass for the party train that's on the way to your town
And don't be shame-faced, baby 'cause it ain't no thang
I won't tell if you won't tell that you done rode the train

So don't try to act like you don't know what I'm talkin' 'bout
It's plenty of guys so you can bring some friends to help you out
And it's a real long line, uh, so I hope you can hang
And if you come it's gon' be fun, yo, so don't miss that train

(I think I can)
I know you can
(I think I can)
Girl, I'm sure you can

(I think I can)
Matter fact, I know you can
It's a round-trip ticket
To Ding-a-Ling Land

Engine engine 69, headed down the party line
And if that train go off the track
Then you know that party sho' nuff bite
So don't miss that train, baby
So don't miss that train

Like I said, pimpin' ain't dead
Come on, ride that thang, baby

(Ooh, here come that train)
You betta not miss it, baby
(Ooh, here come that train)
Betta get yo' ticket, baby

(Ooh, here come that train)
And don't be actin' ashamed
(Ooh, here come that train)
Here come dat party train

Come on, come on, come on, come on
Hey, don't miss that train
It's 69, it's party time, and oh yeah, we got them
chicken wings
We got that Parignon too and much hors d'ourves
And long spicy sausages, so ladies, come get served

So get to the party, baby, uh 'cause this gon' be hype
Get your bags, that gin 'n' juice and wait by the railroad
track
So ladies, bring your friends, and please make sure
they're fine
And hurry up, 'cause I'd hate to see you miss Engine
69, uh

(I think I can)
I know you can
(I think I can)
Girl, I'm sure you can

(I think I can)
Matter fact, I know you can
It's a round-trip ticket
To Ding-a-Ling Land

Engine engine 69, headed down the party line
And if that train go off the track,
Then you know that party sho' nuff bite
So don't miss that train, baby
So don't miss that train

Like I said, the party ain't dead
Come on and ride that thang, baby

(Ooh, here come that train)
You betta not miss it, baby
(Ooh, here come that train)

Betta get yo' ticket, baby

(Ooh, here come that train)
And don't be actin' ashamed
(Ooh, here come that train)
Here come dat party train

Hey now, lil' roadie, uh, all the way to the end
Get on the train and shake that thang, 69 comin' one
mo' gen
Put on some boots, some skin-tight Dukes
Uh, and get wild and loose
If ain't no room in your freight compartment
There's room in my caboose

So just be ready to go, baby, when we come to your
town
I wanna put this choo-choo in yo' poo-poo, and work it
on down
'Cause it's much faster than greyhound
And a whole lot cheaper than a plane
So get on the tracks, put a hump n' ya back, uhh
And get on this soul train

So don't miss that train, baby
Don't miss that train
Like I said, pimpin' ain't dead
These girls aren't even scared to give head

So don't miss that train, baby
Don't miss that train
Like I said, pimpin' ain't dead
These girls aren't even scared to give head

Don't miss that train
Don't miss that weenie train
(Hey, true dat, true dat)
Don't miss that train
Don't miss that weenie train
(We servin' gravy train)

Don't miss that train
Don't miss that weenie train
(All aboard the weenie train)
Don't miss that train
Don't miss that weenie train
(And don't be actin' ashamed)

Ooh, here come that train

(Ooh, here come that train)

You betta not miss it, baby
(Ooh, here come that train)
Betta get yo' ticket, baby

(Ooh, here come that train)
And don't be actin' ashamed
(Ooh, here come that train)
Here come dat party train

I think I can
