CHORUS Repeat

Verse:

Hey you in the black boots
Knee highs with the daisy dukes
Lookin' real fly while in cahoots
In the park like you do to
Im Sno here to relate to you
Gonna start a trend of daisy dukes
Eversince some of the 90's
Girls lookin' good with a future behind see
Many terms are used to express
We're talkin' 'bout the booty
Not the breasts
Baby got back and a junk in the trunk
She got a six-pack
And a hell-of-a rump
Yo please some fries with that shake
See many terms are used to relate
I love the girls with the big ol' booties
But where i'm from they call 'em dukies
Pretty round cheeks hangin' from the jeans

Even city girls keep the country theme
So if you get it, got it, good
So dip the dug out
these dukes are turnin' out
Sing!!!

CHORUS:

Come on baby... Kick them daisies
Look at them girls with the daisy dukes on...
(I want chu to)
Look at them girls with the daisy dukes on...
(Everybody)
Look at them girls with the daisy dukes on...

(I want chu to)
Look at them girls with the daisy dukes on...

Verse:

Say look at them girls with the daisy dukes on
Girl you really got it goin' on
They be kickin' it sweet
With them long ol' boots some free
Check out the way they step
Make a brother wanna think 'bout six
Especially when they have nice legs
If they tan charcoal red
It dont make what kinda legs you like
Still be kickin' tonight
So make one difference on you
As long as you still kickin' them daisy dukes

CHORUS Repeat

WAIT...

Bring that funky trunk back
Bring that funky trunk back
Bring that funky trunk back
Bring that funky trunk back
Ohh bring it baby
Ohh keep the funk baby
Ohh let me see you rock baby
Ohh keep the funk baby
Ohh let me see you rock baby
