Hey girlfriend, what's yo name? I've been watchin' you
all night long
And the way you move that Puddin Tame has really
turned me on
So get on the dance floor, and work it one mo' gen
Push swang that Puddin Tame until the party end
I like when you grab dem hips, and move it down real
slow

Round and round with that grindin' motion, down to the
floor
I know the panties you wearin' helpin' that thang look
fine
It's got to be dem G-string 'cause I ain't seen no panty
line
For those of y'all who don't know, just what that Puddin
Tame mean
It's that monkey, that kitty cat, that jumpin' jellybean,
baby

(What's your thing?)
Puddin Tame, ask me again, I'll tell you the same
(What's your thing?)
Puddin Tame, still the same, ain't nothin' changed

(What's your thing?)
Puddin Tame, ask me again, I'll tell you the same
(What's your thing?)
Puddin Tame, still the same, ain't nothin' changed

Some like it in a bowl, some like it on a stick
Some like they Puddin nice and thin, but then some like
it thick
No matter how you like it, I love my Puddin Tame
And if you ask me just one mo' gen, I'm still gon' say
the same, uh

Yo, c'mon c'mon c'mon c'mon, jump, just gimme that
thang
Some say it's greed, but I just need that good ol'
Puddin Tame
Yo, and it ain't hard, and once you start, I won't let ya

stop

I want your bowl o' Jello, baby, jus' gimme that Puddin-Pop

Now understand if you got a man then, yo, I don't need ya

But if you're alone and got it goin' on, jus' let me freak ya

Now it's about time, I'm down with 6-9, and ain't no shame in my game

Up and down, round and round, even doo-doo brown
So jus' gimme that Puddin Tame, uh

(What's your thing?)

Puddin Tame, ask me again, I'll tell you the same

(What's your thing?)

Puddin Tame, still the same, ain't nothin' changed

Baby, don't get me wrong, you shakin' dat booty to death

And when I saw that Puddin Tame, I just couldn't help myself

The way you move that Puddin Tame got things all in my head

It's 69, not TLC, and I Ain't 2 Proud 2 Beg

There's somethin' 'bout that Puddin there, that's different from the others

That one there looks just like, it should be on an album cover

And I don't discriminate, naw, I'm not that type of fella
As long as the Puddin's sweet, I like it chocolate or vanilla

For those of y'all who don't know, just what that Puddin Tame mean

It's that monkey, baby, that kitty cat, that jumpin' jellybean

(What's your thing?)

Puddin Tame, ask me again, I'll tell you the same

(What's your thing?)

Puddin Tame, still the same, ain't nothin' changed

Some like it in a bowl, some like it on a stick

Some like they Puddin nice and thin, but then some like it thick

No matter how you like it, I love my Puddin Tame

And if you ask me just one mo' gen, I'm still gon' say the same, uh

(What's your thing?)

Puddin Tame, ask me again, I'll tell you the same
(What's your thing?)
Puddin Tame, still the same, ain't nothin' changed
