See my moment rise
With a little Jesus Christ
Blood is life
Blood is the truth
Gimme a moment, moment of you
And for Maria too

Stigmata- blood and gasoline
A thought of you and the fire between
Stigmata- blood and gasoline
A thought of you and the fire between

See the moment to rise
In a little Jesus Christ
Blood is life
Blood is you
Gimme a moment of the truth
And for Maria too

Stigmata- blood and gasoline
A thought of you and the fire between
Stigmata- blood and gasoline
A thought of you and the fire between

Stigmata- blood and gasoline
A thought of you and the fire between

See my moment rise (spiritus)
With a little Jesus Christ (spiritus)
Blood is life
Blood is the truth
Give me a moment, a moment of you (spiritus)
And for Maria too(sanctus)

Stigmata-blood and gasoline (blood and gasoline)
A thought of you and the fire between
Stigmata-blood and gasoline (blood and gasoline)
A thought of you and the fire between
Stigmata-blood and gasoline (blood and gasoline)
A thought of you, and the fire between

(blood and gasoline)
And the fire between, and the fire, and the fire
between (stigmata)
Give me a moment, give me a moment, give me a
moment of you
Give me a moment, give me a moment, give me a
moment of truth
...And the fire between.
