The butterfly, ooh, that's old
Let me see that tootsee roll
Yeah, 1994 69 Boyz backed up by Quad City D.J.
One time cotton candy sweet to go, let me see that
tootsie roll

Yeah, tootsie roll
Let me see that tootsie roll
Get up and roll just make that tootsie ooh

Cotton candy, sweet and low, let me see that tootsie
roll
Come on, tootsie roll, just make that tootsie roll
Here we go, tootsie roll, just make that tootsie roll

Yeah, tootsie roll
Let me see that tootsie roll
Get up and roll just make that tootsie roll

To the left, to the left, to the right, to the right
To the front, to the front, to the back, to the back
Now slide, slide, baby, slide, just slide, baby, slide
Just slide, baby, slide, come on, come on

To the left, to the left, to the right, to the right
To the front, to the front, to the back, to the back
Now dip, baby, dip, come on, let's dip, baby, dip, baby
Dip, baby, just dip, baby, dip, baby, dip
Just dip, cotton candy sweet and low
Let me see that tootsie roll

I don't know what you've been told
It ain't the butterfly it's the tootsie roll
A brand new dance so, grab a partner get on the dance
floor
And work them hips a little bit and do that dip a little bit

Oh yeah, you got it, no if's, and's, no but's about it
And you over there with the long hair
Keep workin' that derriere 'cause it ain't hard
Just a brand new dance for the 1991
69 is the place to be, a yo Skee, what we came to see

Cotton candy, sweet and low, let me see your tootsie roll
Here we go, come on, tootsie roll, come on, tootsie roll
Let me see your tootsie roll
Come on, tootsie roll, just dip that tootsie roll and tootsie roll
Here we go tootsie roll

Just I feel a whoop comin' up, a whoop comin' up
I just feel a whoop comin' up, a whoop comin' up
Whoop, come on, whoop, come on

Whoop, yeah come on come on and
Whoop, whoop, whoop, yeah, baby
Cotton candy, sweet and low
Let me see that tootsie roll

Come on tootsie roll, just make that tootsie roll
Yeah, tootsie roll, gotta go make your tootsie roll
Here we go tootsie roll, just make that tootsie roll
I want to see your tootsie roll, just make them tootsie roll

To the left, to the left, to the right, to the right
To the front, to the front, to the back, to the back
Now slide, slide, slide, slide

5, 4, 3, 2, 1
Come on whoop, whoop, whoop, whoop
Come on whoop, whoop, whoop, whoop
Cotton candy, sweet and low
