"Who's Gonna Pay The Bail"

I'm tryin' hard to reconstruck my broken-hearted brain
I've been cut baby i've been shot first time ever
I'm goin' insane i can tell you what it's all about
To twist the devil's tail it's alright 'til the flames come
out
And you gonna burn like a fucker who's gonna pay the
bail?
Yeah i'm tryin' to get over you hey babe
Yeah i'm tryin' to get over you hey babe the action
starts
Like a sonuvabitch on a 2-horn head no remorse dial

Should've stayed suckin' 8-balls instead
